PROFESSIONAL PROFILE

My beliefs are hard work and dedication, which paves the way of obtaining any goals. I have been passionate about coding, which is reflected in my performance and meeting deadlines. I have 7 years of experience in the field of android app development.

I'm often in the details, so I make sure to be precise and detail-oriented. I strive to build a good relationship at work by keeping open lines of communication with everyone.

SKILLS

- Mobile application development in Android Studio
- Version Control with Git Bash and Source Tree
- MS-Office package (i.e.
